Clairvoyant

St. Clair High School

1963

The Clairvoyant is a yearbook for the St. Clair High School. It is a record of the school's activities and achievements. The yearbook is published annually and is a valuable source of information for students, faculty, and the community. It contains articles, photographs, and other materials that document the school's history and present. The Clairvoyant is a reflection of the school's culture and values. It is a source of pride for the school and its students. The yearbook is a record of the school's accomplishments and a source of inspiration for the future. St. Clair High School

1963

Over one hundred years ago, in 1858, the Little Red School House, known officially as the St. Clair Public School, was opened at the corner of Third and Mulberry Streets.

In 1863 a high school building was built where the intermediate school now stands. It accommodated five hundred students, and it cost about six thousand dollars. The Second Ward School was built in 1880 to house the growing student population. It was there, in 1887, that the American flag was flown for what is believed to be the first time over any school in the United States.

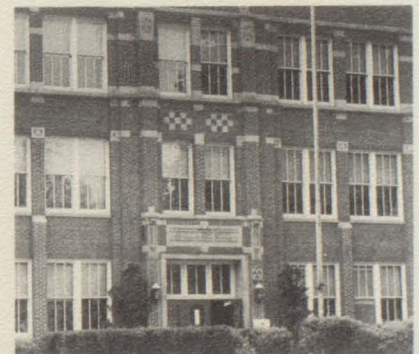

1880

By the time a new high school was built in 1922 at a cost of over \$325,000 it was desperately needed. The building is now being used as an intermediate school.

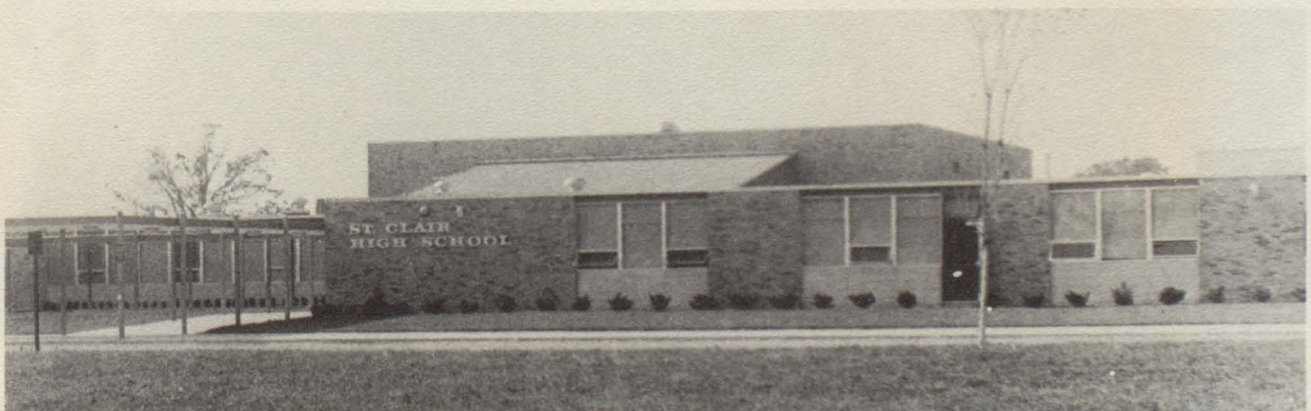

The year 1961 was an important one for our district. In the early part of the year the St. Clair School District voted to become a part of the East China School District, and in November of the same year, our new high school, which cost over one million dollars was dedicated.

Our district has increased in size and population, but our goals remain the same as those of the first class to graduate from the Little Red School so long ago. We want to work hard, play hard, and be proud of our school.

1961

Dear Friends,

Remember the fun that we had in
in the school year of 1962-63? Well,
we're here to refresh your memory!

Let's turn the clock back to the
very first day, September 4, 1962...

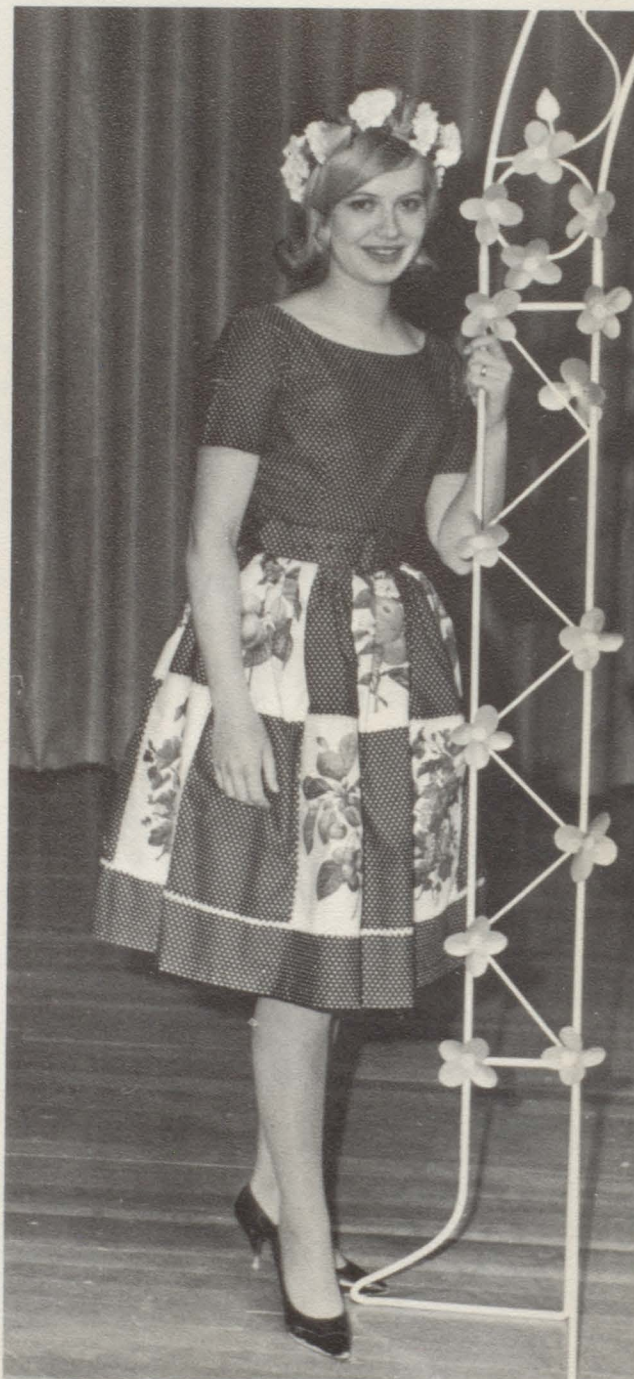

Recall that bewildering moment
when you arrived at school with a
gigantic stack of books, and no place
to turn? The rest of the week was
just as frustrating!

So, here are the high, and hi-
larious, points of the year as re-
corded in our diary:

First day: We met Benita Mathilde
Elisabeth von Bonin; called "Bennie-Babe;"
our exchange student from Harderwyken-
burg, Leer, West Germany.

She was born on September 17, 1944 in
Geiglitz, Pomerania.

In 1945, the family fled to West Germany
where her father works as a merchant of
lumber.

"Benny's extra leg"

Benita

Benita attended the People's School in Leer for the First grade through the Fourth grade.

From the Fifth to the Twelfth grade she attended the Gymnasium, "Teletta-Grofs-Schule" in Leer.

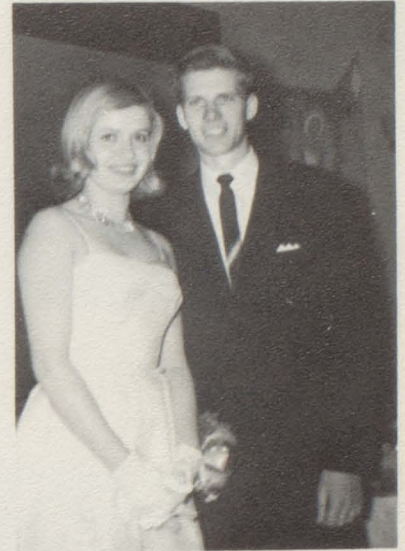

She will graduate after the Thirteenth grade in March, 1964.

In the future she will attend Hamburg University to study Psychology (subject to change). She is interested in Social work.

When asked what she liked best about America, she replied, "Sweatshirts, I love them."

At noon ...

at the Prom ...

and in the classroom.

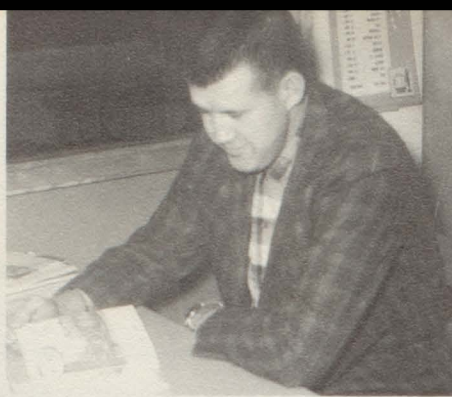

Next, we met our teachers and the rest of the student body...

Friend's we'll always remember.

Tragedy struck on October 12, 1962. St. Clair Police Chief "Johnny" McDonald was struck by a car as he directed the traffic after the Homecoming Game, and died later as a result of injuries received.

Jim Cheadle was a Junior (the class of '64) when Parkinson's disease struck him. That led to Luekemia and a long stay in the University Hospital in Ann Arbor.

He was home every now and then, but the staff in Ann Arbor kept his bed warm.

If he was an example of how strong the Junior class is, then it's a strong class, because he was supposed to have given in long before he did.

Finally he couldn't fight any longer and the day before Thanksgiving, he left this world for another.

State Champions of 1963

X marks the spot!

The Gymnastic team has had another fine year! Competing against the following schools: Ann Arbor, Alpena, Hillsdale, Ionia, Jarvis Collegiate, Ontario, North Farmington, and Sarnia Collegiate, they were victorious in all of their twelve duel meets. They came in second in one tri-meet.

To top off their year, the gymnastic team again brought the State Championship back to St. Clair for the third year in a row.

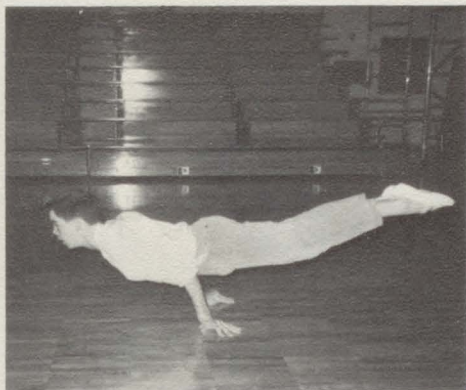

One, two, . . . Cha, cha, cha!

Mr. Cornish

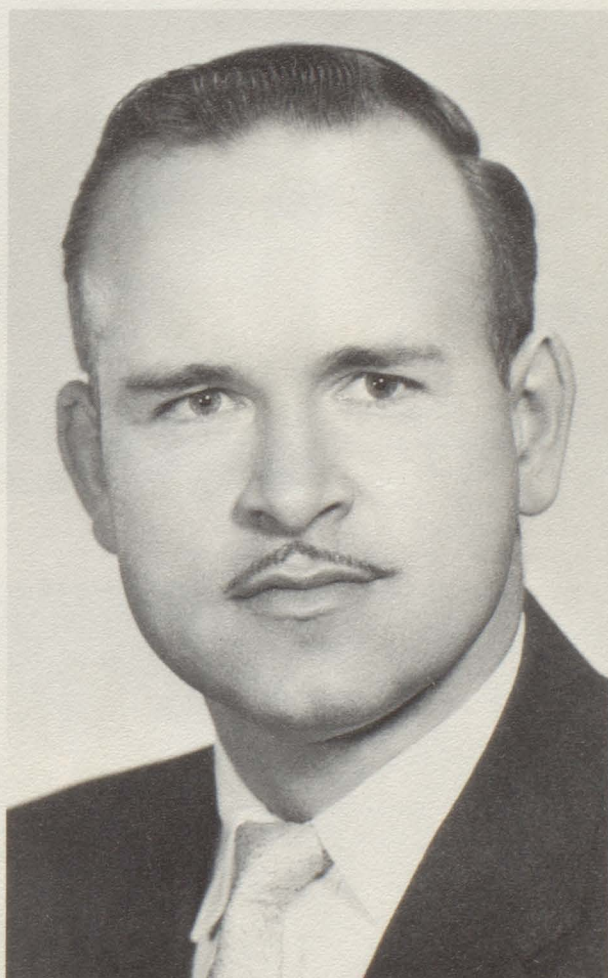

"Uncle John"

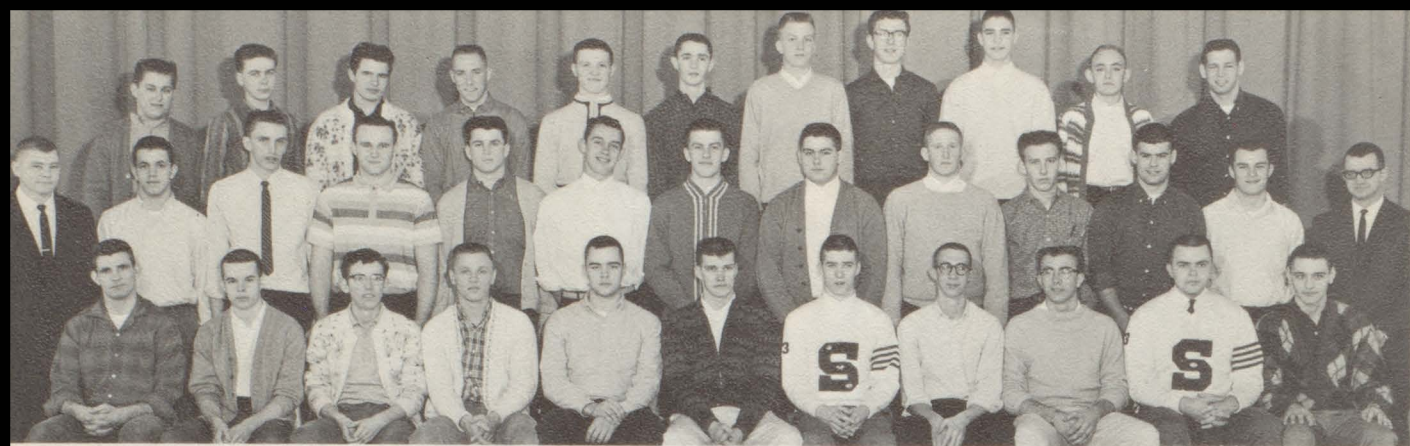

"Uncle John," as he is known to his students, came from Battle Creek, Michigan. He graduated from Western Michigan University with a Bachelor of Science degree; his Master's degree was awarded by Michigan State University. Because he feels that it is an educator's duty to keep in tune with the times, Mr. Cornish has continued his advanced graduate work at Western Michigan and the University of Michigan.

Before coming to St. Clair, Mr. Cornish taught at Ludington and Grand Rapids. He has been a staff member here for ten years.

The entire Cornish family, including Mrs. Cornish, Mary Lynn, Cynthia Ann, Janet Sue, and Jeffrey William, have been an asset to our community. Mrs. Cornish has been a teacher and is a talented designer. Mr. Cornish is superintendent of the Sunday School at the Congregational Church, and he is a member of the American Heritage Foundation, National Geographic Society, and the Society of the First Division. He is a veteran of World War II, having served with the First Infantry Division in Europe. After participating in five campaigns, Mr. Cornish was awarded the Bronze Star for meritorious achievement against the enemy.

As a teacher of history, government, and sociology, "Uncle John" has helped us to see ourselves as necessary individuals working together to form a democratic society. We are proud to dedicate the 1962-63 Clairvoyant to John Cornish.
